# CHRISTABEL NETTEY

## SNAPSHOT

Training under legendary U.S. track coach Dan Pfaff has brought Christabel Nettey consistency at a high level which has fuelled the confidence to sustain that excellence. Her performance record in 2015 and 2016 clearly demonstrates that.

When Nettey nailed a 6.99-metre jump indoors in Stockholm in February 2015, she feared it might be a one-off. It wasn't. She did it again in Eugene, Ore., -- outdoors this time -- in May 2015, and so her breakout season went.

Her consistent podium finishes on the Diamond League circuit earned her the No. 2 world ranking among female long jumpers in 2015. And she won gold at the Pan American Games in Toronto.

She jumped 6.95 metres, not far off her personal best, at the IAAF World Championships in Athletics in Beijing in August 2015. But in a deep, talented international field, that put her in fourth place, a tough result in a sparkling season.

**HOMETOWN:** Surrey, B.C.

**BIRTHDATE:** 2 June 1991 (25)

**EVENT:** Long jump

**COACH:** Dan Pfaff

**TRAINING BASE:** Phoenix, Ari.

**EDUCATION:** Arizona State University

**TWITTER:** [@queenchristabel](https://twitter.com/queenchristabel)

**PERSONAL BEST:** 6.99 metres, Eugene, Ore., 29 May 2015 (Canadian record)
